Exploring Cleanup and Redevelopment Opportunities

Along the Route 66 Corridor in Kingman, Arizona

April 15, 2008 • Powerhouse Visitor Center
120 W. Andy Devine • Kingman, Arizona

Presented by:
City of Kingman
Mohave County
Arizona Department of Environmental Quality
US EPA Region 9

This one-day meeting is open to the public, realtors, title agencies, builders, developers, bankers, engineers, consultants, historical societies, civic organizations, and small business owners and land owners along Route 66

Help identify barriers and opportunities for redevelopment along the Route 66 corridor – we want local communities to revitalize Route 66 and preserve its rich heritage

The meeting is free, but you do need to register.

To register and for more information, email your name, title and organization to: USEPARegion9Brownfields@sra.com
