

US EPA ARCHIVE DOCUMENT

AGENCY: ENVIRONMENTAL PROTECTION AGENCY (EPA)

TITLE: Study and Analysis of Fuel Consumption and Emissions Reductions Associated with an Innovative Technology Package for Heavy Duty Diesel Trucks

ACTION: RFA - Amendment No. 1

RFA NO: EPA-OAR-STP-06-07

CATALOG OF FEDERAL DOMESTIC ASSISTANCE (CFDA) NO: 66.034

SUMMARY: This notice is issued to change the estimated funding for this RFA from \$350,000 to \$300,000.

DATE: March 22, 2006

Accordingly,

1. Page no. 1, Funding/Awards, is amended to read as follows:

The total estimated funding for this competitive opportunity is not expected to exceed **\$300,000**, subject to the availability of funds and the quality of applications received. EPA seeks to fund one or more cooperative agreements.

2. Attachment A-Grants.gov Instructions, Section B.1 (Narrative Proposal), paragraph b(iii) is amended to read as follows:

Funding Requested. Specify the amount you are requesting from EPA. If you are seeking the full expected award amount (**\$300,000**), you should be prepared to revise your budget in the circumstance of partial funding.

3. All other terms and conditions remain unchanged.
