UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
WASHINGTON, D.C. 20460

OFFICE OF AIR, NOISE AND RADIATION

MEMORANDUM:

DATE: April 25, 1984

SUBJECT: PSD Applicability to Coal Conversions

FROM: Director, Stationary Source Compliance Division
Office of Air Quality Planning and Standards

TO: Air Management Division Directors
Regions I, III, V, and IX

Air and Waste Management Division Directors
Regions II, VI-VIII, and X

The attached letter from Region IV to the State of Florida recites our draft policy on the applicability of PSD to coal conversions. This policy has been in effect in Region IV, and has also been sent to certain other Regions as a guide in developing their applicability determinations.

When finalized, this policy will help ensure national consistency on this issue. Please read the draft policy and send any comments you may have to Doreen Cantor at FTS 382-2874 by May 11, 1984. The policy will then be finalized based on your comments.
