SHORT TERM RADON DETECTION KIT COUPON

Testing for radon is simple.
Now you can get a radon test kit for \$15
from the National Radon Program Services
at Kansas State University.

This radon detector kit is a short-term test. Just follow the directions on the package and return the entire kit to the manufacturer for analysis at no additional charge. You'll get the results along with information about corrective measures you can take to lower your radon level, if necessary. Remember that radon is the second leading cause of lung cancer in the United States. Testing for radon is important for your family's health and well being. To obtain your radon detection kit, simply fill out the information on this coupon and mail it along with a check or money order for \$15 per kit, or complete the credit card information. www.SOSRADON.org
