2 December 1996

## **Preface**

This draft addendum to “Scientific Documentation for EMAP Data: Guidelines for the Information Management Catalog” (Strebel and Frithsen, 1995) provides additional requirements for a data set Catalog file. These requirements are technical in nature and do not impact upon the content of the Catalog file. They are for ease of transferring the file to the EMAP Home Page.

## **References**

Strebel, D.E. and J.B. Frithsen, J.B. 1995. Scientific Documentation for EMAP Data: Guidelines for the Information Management Catalog. April 30, 1995. Report prepared for U.S. Environmental Protection Agency, Office of Modeling, Monitoring Systems and Quality Assurance, Washington, D.C. Prepared by Versar, Inc., Columbia, MD.

## **Catalog File Submittal Requirements**

The Catalog files should either be submitted as:

1. Text file with appropriate text and/or data in columnar format.
2. WP51 (or later version) file with font type and size set for Courier and 10, respectively.
