Emergency Response Preparedness Operation on Tribal Reservations

Lloyd Jackson, Confederated Salish and Kootenai Tribes of the Flathead Nation.

Outline

This presentation will cover the following items:

- setting up a tribal emergency response committee,
- writing and implementing a response plan,
- training responders for all hazard incidents,
- obtaining grants, funding, and response equipment,
- presenting responses to HAZMAT incidents in the Flathead Reservation, and
- working relations with local police, fire, and other agencies.
