Region 6

Emergency Preparedness and Response at the US/Mexico Border

EPA Region 6 US / Mexico Border

U.S.A.

New Mexico
Texas

Mexico

Chihuahua
Coahuila
Nuevo Leon
Tamaulipas

Region 6 Priorities for 2005

- Update existing local contingency plans (Sister City Plans)
- Provide training to local first responders
- Conduct binational exercises to test and improve Local and Federal Contingency Plans
- Perform risk analysis of hazardous chemicals that may pose a threat to local communities.

EPA Region 06

Accomplishments FY 04 / 05'

- ◆ 7 binational forums on emergency preparedness and response
- ◆ 1 binational emergency response plan signed;
 - 8 total plans in place; 1 is ongoing
- ◆ 2 Border ER Task Force Workshops conducted:
 - Texas/New Mexico/Chihuahua area
 - Texas/Coahuila/Nuevo Leon/Tamaulipas area
- ◆ Several high profile, binational hazardous material exercises
- ◆ Bilingual technical training on a variety of preparedness , disaster management, and emergency response topics

Activity Definitions

- ◆ **Commodity Flow Studies** provide baseline information concerning the transportation of hazardous materials
- ◆ **Sister City Plans** provide first responders a tool in improving coordination, communication, and response.
- ◆ **International Exercises** address the movement of resources in a cross-border response.
- ◆ **Joint Response Team** is a binational team of federal, state, and local agencies from the US and Mexico that is responsible for coordinating emergency preparedness and response along the US / Mexico Border.

Commodity Flow Studies

- ◆ El Paso, Texas
- ◆ Eagle Pass, Texas
- ◆ Cameron County, Texas
 - Brownsville Veteran's Bridge
 - Los Indios Free Trade Bridge

Region 6

Local Sister City Plans
