Q and A Session

GoToWebinar Software Logistics

- You will be muted throughout this webcast to minimize background noise. You'll be able to submit questions and comments in writing.
- PDF and audio files of today's session will be made available for download in a few weeks at:
 - <http://www.epa.gov/statelocalclimate/web-podcasts/index.html>
- Throughout the webcast, if you have technical difficulties, please contact Wendy Jaglom from ICF at: **wendy.jaglom@icfi.com**

Questions (GoToWebinar)

- If you have a question, submit through the question pane.
- We will compile these questions and ask them during the Q&A session.
- Please include the name of the presenter you would like to answer your question.

Optional Feedback (GoToWebinar)

- A pop-up window will appear once you exit GoToWebinar.
- Please take a few minutes to respond to the optional questions and provide your feedback.

The screenshot shows a web browser window titled "GoToWebinar : Preview of Survey - Microsoft Internet Explorer provided by ICF International". The address bar shows a URL from gotomeeting.com. The main content area is titled "EPA Webinar" and "Tuesday, January 26, 2010 10:00 AM - 11:00 AM EST". Below this is a "Survey Form" section with the text: "We would appreciate your feedback about our Webinar. Please complete the survey below." The first question is "What topic would you like to see on the next EPA webcast?" with a text input field. The second question is "Did you find this webinar helpful? Why or why not?" with a text input field. The third question is "Do you have any remaining questions that were not addressed during the webinar?" with a text input field. At the bottom of the form is a "Submit" button. Below the form, there is a privacy notice: "Your email address and personal information are confidential and will not be sold or rented by GoToWebinar. [View the GoToWebinar Privacy Policy](#)". At the very bottom is a "Close" button.
