Imperial Valley Child Asthma Program (IVCAP) Presents:

Stop and Listen

Asthma FORUM 2015

Thursday, Nov. 19, 2015, 5 to 8 pm

Southwest High School, Multipurpose Room,
2001 Ocotillo Dr., El Centro, CA

It's time for our Youth to speak up!

Competing teams of high school students from Brawley, El Centro, Imperial and Calexico present videos and discuss their research about the possible environmental factors that may be contributing to the high incidence of childhood asthma in Imperial County.

Let's discuss actions that need to be taken with our local leaders and decision makers for our community. Only together can we make the difference.

2014 Winners: Brawley Union High School

You don't want to miss out!

There is no cost, spaces are limited! Register at: <http://asthmaforum2015.eventbrite.com/>

Tickets are required at the door. Snacks and refreshments will be provided.
For more information, call: (760) 482-0978

Imperial Valley Child Asthma Program (IVCAP) is a program funded by the Imperial County Children and families First Commission and in part by the U.S. Environmental Protection Agency. It is operated by El Centro Regional Medical Center (leading agency) in partnership with Pioneers Memorial Health Care District.

IVCAP is working in partnership with the U.S.-Mexico Border Health Commission, El Centro Regional Medical Center's Healthy Homes Program, the U.S. Environmental Protection Agency's U.S.-Mexico Border 2020 Program, Imperial County Air Pollution Control District, and the Health Occupation Students of America (HOSA) to make this event a success.
