U.S. EPA’s State and Local Climate and Energy Webcast Series
Presents:

Solar for All: Making it Happen in Low-Income Communities

Telephone call-in number: (855) 210-5748
Conference ID: 69585081
We will start in a few minutes. Thank you for joining us.
Solar for All: Making it Happen in Low-Income Communities

April 13, 2016
2:00 PM – 3:30 PM (EDT)
Telephone call-in number: (855) 210-5748
Conference ID: 69585081
How to Participate Today

Open and close your control panel

Audio is only available by telephone
Dial: (855) 210-5748
Conf. ID: 69585081

Participants are on mute
Type in your questions and indicate the speakers

Hit “send” to submit your questions

If you experience technical difficulties, please contact Wendy Jaglom at: Wendy.Jaglom@icfi.com
Webcast Agenda

- Welcome & Introduction
  Victoria Ludwig, U.S. EPA State and Local Climate and Energy Program

- Low-Income Solar Policy: An Overview
  Sean Garren, Vote Solar

  Stan Greschner, GRID Alternatives

- Case Study: Reforming the Energy Vision
  Peter Olmsted, New York State Department of Public Service

- Q&A Session, Optional Feedback

Files and audio recordings of today’s webcast will be available at: https://www.epa.gov/statelocalclimate/local-climate-and-energy-webcasts
Helping state & local governments reduce greenhouse gases, improve air quality, and advance energy efficiency and renewable energy

- **Analytical tools and multiple benefits quantification**
  - *Avoided Emissions and geneRation Tool (AVERT)*: Calculates emissions benefits of EE/RE policies and programs for incorporation into air quality and other state plans

- **Guidance materials on best practices, successful policy approaches, implementation how-to’s**
  - *Energy and Environment Guide to Action*: Provides best practice design and implementation information on EE/RE/CHP policies and programs states are using to meet energy, environmental, and economic objectives

- **Climate Showcase Communities**
  - 50 models of local climate change action

- **Communications resources**
  - Web presence, newsletters, webcasts

New Resources on EE and RE in Low-Income Communities

EPA is developing several resources to help bring the benefits of energy efficiency and renewable energy to low-income communities:

1) “Guide to Energy Efficiency in Affordable Housing”  
   Existing  
   http://www.epa.gov/statelocalclimate/resources/strategy-guides.html

2) Guide to relevant EPA EE/RE and climate programs that can benefit low-income communities, such as:  
   Existing  
   • ENERGY STAR for Congregations (www.energystar.gov/congregations)  
   • Green Power Partnership (www.epa.gov/greenpower)  
   • RE-Powering America’s Lands (www.epa.gov/renewableenergyland)

3) Catalog of profiles and case studies of successful efforts by state and local agencies, non-profits, and utilities to bring EE/RE to low-income households  
   Spring 2016

4) Webcast series showcasing best practices and successful state and local programs delivering EE/RE to low-income communities  
   Ongoing

All resources housed at: www.epa.gov/statelocalclimate
Webcast Series on EE/RE Programs for Low-Income Communities

Bringing Energy Efficiency and Renewable Energy To Low-Income Households: What’s Working

- National Energy Assistance Directors’ Association, Energy Outreach Colorado, DTE Energy

Part 2 – “Beyond the Light Touch: Next Steps for Improving Energy Efficiency in Multi-Family Affordable Housing”
- HUD, National Housing Trust, Elevate Energy, Maryland DHCD

Part 3 – “Solar for All: Making it Happen in Low-Income Communities”
