

US EPA ARCHIVE DOCUMENT

**NOTICE OF PUBLIC COMMENT FOR THE PROPOSED PCB
REMEDIATION AT THE FORMER METROPOLITAN TRANSIT
AUTHORITY HEADQUARTERS BUILDING
IN BROOKLYN, NEW YORK**

Notice is hereby given that the United States Environmental Protection Agency (EPA) has received an application from New York University for a risk-based polychlorinated biphenyl (PCB) remediation at the Former Metropolitan Transit Authority Headquarters Building located in Brooklyn, New York. EPA is accepting comments on the proposed remediation. The public file consists of the complete application that the EPA considered as well as the Agency's proposed approval.

Please send comments to James Haklar, Senior PCB Disposal Specialist, at haklar.james@epa.gov. **Comments must be received by EPA on or before June 3, 2016.**
