EPA Proposed Remedy for the Natural Area at
DuPont Located in East Chicago, Indiana
IND 005 174 354**

<u>Document Number</u>	<u>Date</u>	<u>Description/Author</u>
DuPont - 001	6/17/97	RCRA Corrective Action Order for the DuPont East Chicago facility is effective.
DuPont - 002	4/22/10	DuPont submits the Preliminary Supplemental Corrective Measures Study Investigation Results report.
DuPont - 003	4/29/10	EPA comments on the Preliminary Supplemental Corrective Measures Study Results submitted on 4/22/10.
DuPont - 004	6/1/10	Conservation Easement filed with the County Recorder for the DuPont East Chicago Natural Area consisting of approximately 172 acres.
DuPont - 005	6/28/10	DuPont submits a report providing investigation results for the East Chicago facility, including the Natural Area, and a plan for additional environmental sampling.
DuPont - 006	7/10	Various e-mails between EPA and DuPont discussing the Natural Area investigation results, observations, and additional sampling.
DuPont - 007	8/24/10	Letter from Indiana Dept. of Natural Resources to DuPont providing information on endangered, threatened, or rare species in the area.
DuPont - 008	9/14/10	Letter from US Fish and Wildlife Service to DuPont providing endangered species information for the area.
DuPont - 009	9/27-28/10	E-mails between DuPont and EPA regarding Natural Area sampling.

<u>Document Number</u>	<u>Date</u>	<u>Description/Author</u>
DuPont - 025	5/10/11	Letter from DuPont to EPA submitting the Preliminary Supplemental Corrective Measures Study Investigation Results for the DuPont East Chicago Site, including the Natural Area and Buffer Zone. The work was performed in accordance with the 6/28/10 sampling plan (electronically available on CD in EPA Chicago Record Center).
DuPont - 026	5/10/11	E-mail from DuPont to EPA providing a draft sampling approach for the Natural Area.
DuPont - 027	5/27/11	E-mail from DuPont to EPA providing a draft sampling plan for additional sampling in the Natural Area.
DuPont - 028	6/1/11	E-mail from EPA to DuPont providing comments on the draft sampling plan for additional sampling in the Natural Area submitted on 5/27/11.
DuPont - 029	6/2/11	E-mail from EPA to DuPont providing additional comments on the draft sampling plan for additional sampling of the Natural Area.
DuPont - 030	7/27/11	Dupont submits a final sampling and analysis plan for the Natural Area.
DuPont - 031	8/1-4/11	E-mails from EPA to DuPont requesting additional sampling sites in the Natural Area and DuPont's concurrence.
DuPont - 032	8/5/11	E-mail from DuPont to EPA providing a revised figure with the additional sampling sites.
