Appendix D - CEMS Minute Response Data During Monthly Tests

This appendix has the raw PM CEMS data as recorded during the monthly tests. All information is organized on a monthly basis. CEMS PM data is presented in subdirectories generally titled "cem-xxx" with abbreviations for the appropriate month (e.g., oct). Contained in the subdirectories are the PM CEMS data generally titled "yyy14-15.csv" This CSV file corresponds to the method 5i runs 14 and 15; using "yyy" for the PM CEMS name (e.g., esa).
