

Appendix F - Summary of Process Data During Test Periods

This appendix has PM-related process data as recorded during the monthly tests. All information is organized on a monthly basis. Process data as collected by EER personnel is presented in a comma-delimited text (CSV) format and titled “pro-xxx.csv;” the “xxx” represent monthly abbreviations (e.g., oct).

Other supporting information, including manually-recorded process data, is not available in electronic format. See the paper version in the docket.
