CONSOLIDATED CHECKLIST C11

Consolidated Checklist for Universal Wastes 40 CFR Part 273 as of **December 31, 2002**

Note: The wording of several paragraphs addressed by this checklist needs to be revised to reflect the universal waste(s) the State adopts. Examples of such paragraphs include 273.32(a)(1), 273.32(b)(4)&(5), 273.6 definition of "Small Quantity Generator," and 273.39(a)(2). For instance, 273.39(a)(2) lists batteries, pesticides and thermostats as examples. A State should include as examples only those universal wastes for which it adopts regulations.

Note: No final rules affecting 40 CFR Part 273 were promulgated between June 30, 2002 and December 31, 2002, therefore, this Consolidated Checklist corresponds to 40 CFR Part 273 as published on July 1, 2002.

-
- 1 Revision Checklist 181 is optional for States that have not added spent lamps to their universal waste program or that have added spent lamps to their universal waste program and regulate spent lamps as stringently as the Federal program. For States that have universal waste programs that include spent lamps, but do not regulate spent lamps as stringently as the Federal program, Revision Checklist 181 is not optional.
- 2 Revision Checklist 181 (64 FR 36466; July 6, 1999) redesignated old 273.5 as 273.8, old 273.6 as 273.9, added a new 273.5, and added and reserved two new sections—273.6 and 273.7.
- 3 While this provision was optional when first added to the CFR by Revision Checklist 142 (60 FR 25492; May 11, 1995), States which have chosen to adopt the Universal Waste provisions must also adopt this revision. The revision, therefore, is considered conditionally optional.
- 4 There is a typographical error in the Federal Register for Revision Checklist 181 (64 FR 36466; July 6, 1999). In the revised definition of “universal waste”, “hazardous waste that are” should be “hazardous wastes that are”.
- 5 There appears to be an error in the Federal Register for Revision Checklist 181 (64 FR 36466; July 6, 1999). In the first two subparagraphs for the revised definition of “universal waste”. It appears that the ending colons were inadvertently removed. Thus, subparagraph (1) should end “in § 273.2_z” and subparagraph (2) should end “in § 273.3_z”.
- 6 There is an error in the Federal Register article for Checklist 142 D (60 FR 25492; May 11, 1995). The "and" found at the end of 273.13(c)(2)(viii) should be at the end of 273.13(c)(2)(vii).
- 7 A State adopting this provision should be sure to not replace "EPA" in "EPA Acknowledgement of Consent". This document is an export paper and can be prepared only by EPA. For further guidance regarding exports, see Revision Checklist 31.
- 8 There is an error in the Federal Register article for Checklist 142 D (60 FR 25492; May 11, 1995). The "and" at the end of 273.33(c)(2)(viii) should be at the end of 273.33(c)(2)(vii).
