RCRA REVISION CHECKLIST 62

Land Disposal Restrictions Amendments to
 First Third Scheduled Wastes
 54 FR 18836-18838
 May 2, 1989
 (HSWA Cluster II)

Notes: 1) This checklist amends the First Third Scheduled Waste requirements made to Part 268 by Revision Checklist 50 (53 FR 31138, August 17, 1988). Revision Checklist 66 (54 FR 36968, September 6, 1989) corrects the cross references in 268.33(a) to certain revisions made by this present checklist. Also, EPA rescheduled all K015 and K063 nonwastewaters to the Third Third as part of the May 2 rule addressed by Revision Checklist 62. Revision Checklist 66 removes these wastes from 268.33(a). States are encouraged to adopt the corrections addressed by both Revision Checklists 62 and 66 at the same time the provisions addressed by Revision Checklist 50 are adopted. States already authorized for the Revision Checklist 50 provisions are encouraged to adopt the amendments and corrections addressed by Revision Checklists 62 and 66 as soon as possible.

2) This checklist does not affect any of the nondelegable sections of Part 268.
