RCRA REVISION CHECKLIST 129

Revision of Conditional Exemption for
Small Scale Treatability Studies59 FR 8362-8366

February 18, 1994

(RCRA Cluster IV, Non-HSWA provisions)

1) This rule revises the July 19, 1988 (53 FR 27290) Treatability Studies Sample Exemption Rule addressed by Revision Checklist 49. States which are not authorized for Revision Checklist 49 are encouraged to adopt these present revisions at the same time the requirements addressed by Revision Checklist 49 are adopted.

2) As with the July 19, 1988 rule, States are not required to adopt these present revisions because they are less stringent or reduce the scope of the existing Federal requirements. However, EPA strongly encourages States to adopt these revisions. In addition, the Agency plans to work with States to encourage timely adoption of this rule because of its benefits to the development of treatment capacity.
