- ¹ Note, in the September 19, 1994 FR article for this rule, there is an error in the internal references in this paragraph--"subparts A through N of parts 124, 264, 265, 268 and 270" should be "subparts A through N of parts 264 and 265, and parts 268, 270, and 124." The correct internal references are given on the checklist.
- ² There is a typographical error in the September 19, 1994 FR article: the reference to "appendix IX" should be to "appendix XI." In the version of 266.100(c)(3)(i)(A) prior to this rule, the reference was to "appendix XI", but this rule incorrectly changed it to "appendix IX." States should not make this change. As such, this change was not listed on the checklist.
- ³ Amended by 60 FR 242 (January 3, 1995).
- ⁴ Note, there are two typographical errors in the September 19, 1994 FR article: there should be a ")" after "§268.2" and "(SW-846))" should be "(SW-846)".

RCRA REVISION CHECKLIST 137: Universal Treatment Standards and Treatment Standards for Organic Toxicity Characteristic Wastes and Newly Listed Wastes (cont'd)

- 5 There appears to be an error in the January 3, 1995 amendment. The phrase "or State authorized to implement part 268 requirements" is printed twice in the same sentence. On the checklist, the second occurrence is not included.
- 6 Note that there is a typographical error in the Federal Register article for Revision Checklist 137 (59 FR 47982; September 19, 1994). There should be a closing parenthesis following the phrase "(as defined in 268.2(i)".
- 7 There is a typographical error in the September 19, 1994 FR article: there should be a ")" after "D043".
- 8 Note there is a typographical error in Certification Statement G. The beginning of the second sentence should read "I am aware that..." rather than "Am aware that...".
