RCRA REVISION CHECKLIST 165
(WITHDRAWN)

Organobromine Production Wastes
63 FR 24596-24628
May 4, 1998
as amended June 29, 1998, at 63 FR 35147
(RCRA Cluster VIII, HSWA provisions)

Note: On April 9, 1999, the United States Court of Appeal for the District of Columbia in Great Lakes Chemical Corporation versus EPA (Docket No. 98-1312) granted the U.S. Government's motion for a voluntary vacatur of the rules addressed by Revision Checklist 165. Because of this vacatur, EPA has withdrawn this revision checklist. Note that the final rule published August 10, 1998 (63 FR 42580) and addressed in the second pre-note of the withdrawn Revision Checklist 165, is also vacated as it clarified that the typographical errors made in the May 4, 1998 (63 FR 24596) rule were corrected by the June 29, 1998 rule (63 FR 35147).
