¹ This rule was amended December 03, 2001 (66 FR 60153) extending the comment period by thirty days, and delaying the effective date until February 1, 2002.

² ****Please note**** A correction has been made to the SPA 23 revision checklists. The final rule published on 2/13/02, 67 FR 6792, "NESHAP: Interim Standards for Hazardous Air Pollutants for Hazardous Waste Combustors (Interim Standards Rule); Final Rule" was inadvertently omitted from SPA 23. A checklist is now under development for the 2/13/02 final rule and will be numbered Checklist 197. In order to include the 2/13/02 final rule in SPA 23 the existing Checklist 197 (the final rule published on 2/14/02, 67 FR 6968, "NESHAP Standards for Hazardous Air Pollutants for Hazardous Waste Combustors) was renumbered Checklist 198.
