State Authorization: This rule is placed in RCRA Cluster XXI. The state modification deadline is July 1, 2012 (or July 1, 2013 if a state statutory change is necessary).

This rule is promulgated pursuant to non-HSWA authority and is considered to be neither more nor less stringent than the current federal requirements. Therefore, states will not be required to adopt and seek authorization for this rule.

Attorney General (AG) Certification Guidance: Specific AG certification of statutory authority may not be required for this checklist as long as the AG has previously demonstrated authority for the definition of solid waste.
