Date: December 8, 2009

To: The Record

From: Jim Kohler

Subject: Duke Riverbend Assessment Report Annotation

EPA has annotated the CCW checklists in Appendix A of the Duke Riverbend Final Assessment Report to clarify that, in addition to the unincorporated community of Mountain Island, the municipalities of Huntersville, Mount Holly, and Charlotte, North Carolina are also in the vicinity of the Duke Riverbend impoundments.

EPA has taken this action to aid public awareness regarding municipalities in the area of the facility.
