Re: Response to Recommendations  
USEPA CCR Impoundment Assessment  
Shawnee Fossil Plant (SHF)  
Paducah, Kentucky

Dear Mr. Kammeyer:

As requested, Stantec has reviewed the Request for Action Plan letter from USEPA dated June 13, 2013, which contains the results of the CCR impoundment assessment at Shawnee Fossil Plant conducted by USEPA's consultant O'Brien and Gere. Shawnee's facilities have been rated *Satisfactory* and O'Brien and Gere has indicated that no recommendations are warranted; therefore, no action is needed by TVA.

If you have any questions or need additional information, please call.

Sincerely,
