Foam packing peanuts	

Printed with vegetable-based ink on paper containing at least 50% recycled fiber

Business Guide for Reducing Solid Waste

We Want to Hear From You!

The US. Environmental Protection Agency (EPA) encourages businesses to share their waste reduction successes so that others can learn from these examples. If you have any success stories to share, please write to EPA at the address below. Information describing the types and amounts of waste reduced and the associated costs and benefits will be particularly useful.
