Council public meeting. At the roundtable meeting, the basics of the advanced notice of proposed rulemaking were discussed, including how it interacts with EPA's upcoming CAA section 112 and section 129 rulemakings, and provided an educational forum to bring together EPA technical experts, community leaders, nonprofit groups, and others to discuss key themes of the proposed rulemaking. Based on the results of the roundtable meeting, the Agency developed an approach for public participation and outreach during the comment period for the proposal (including planned forums to discuss the proposed rules and/or learn more about environmental impacts of the rule). The activities associated with the outreach are posted at <http://www.epa.gov/waste/nonhaz/definition.htm>.
