JANUARY 2009

Regional Grant Workshops

Hosted by:

Clean Fuels Ohio, the **Ohio Environmental Council**, and your **statewide MPOs** are proud to offer a series of five regional workshops designed to inform and assist applicants for the 2009 grant cycle.

- These workshops are **free** and open to the public.
- Targeted toward fleets seeking **grants for clean diesel technology**.
- Will feature **hands-on instruction** regarding grant applications.
- Participants should **bring fleet and project data** and **leave with templates** largely completed in preparation for submission to the appropriate grantor.

Specific content focus on:

- The Ohio EPA's Clean Diesel School Bus Retrofit Grant
- The B20 Biodiesel School Bus Grant Program
- The Diesel Emissions Reduction Grant Program (DERG)
- The U.S. Midwest Clean Diesel Initiative
- The U.S. Department of Energy's Clean Cities Program

Proposed Workshop Schedule

Columbus: January 26, 2009

hosted by MORPC.

Cincinnati: January 29, 2009

hosted by OKI.

Dayton: January 30, 2009

hosted by MVRPC.

Cleveland: week of January 26th

hosted by NOACA.

Toledo: February 10, 2009

hosted by TMACOG.

To make the most of these workshops you will need:

Fleet data and project information

To ensure you have all the appropriate materials, visit the events page at

www.ohiogreenfleets.org

and download the two spreadsheets at the bottom of the page.
