Fumiaki Shono – JCIA

Hugh Tilson – US EPA

Marc Willuhn - Cefic

Workshop Agenda – DAY I

Plenary session 1:

Setting the Stage

Larry Reiter, Chair

Plenary session 2:

Applications of Biomonitoring in Public Health

Hugh Tilson, Chair

Parallel Symposia:

1. Scientific Advances in interpreting biomonitoring data
Peter Boogaard and Chris Money
2. Challenges Faced in Communication of Biomonitoring Information
Peggy Geimer and Annette Guiseppi-Elie
3. Application of Biomonitoring Data to Usefully Characterize and Prioritize Vulnerable Populations
Larry Needham, Doug Haines, Judy Graham

Reception and Poster Viewing:

Over 30 posters; abstracts in meeting folder

Group Dinner

Workshop Agenda – DAY II

Parallel Symposia (continued)

Facilitated Panel Discussion

International Perspectives:

Elaine Cohen-Hubal, Chair

Parallel Symposia Report Back

Judy Graham, Chair

Looking Ahead: Perspectives on Public Health Applications of Biomonitoring Data

Jerry Blancato, Chair

Format of Parallel Symposia

- Parallel Symposia will begin afternoon of Day I
 - With 3 platform presentation
 - Followed by discussion and Q/A
- Day II will begin with a continuation of the symposia.
 - With 2 additional platform speakers
