VIII. SUPPLEMENTAL ITEMS

Please list each supplemental item (up to four) attached to this nomination:

1.

2.

3.

4.

IX. JUSTIFICATION

Please provide substantial evidence for each of the following:

A. Describe the value and utility of the research, (e.g., innovation, transferability) and its relevance to EPA's mission. It is important to provide a clear and compelling explanation of the relevance and the impact of the research to EPA's mission (for example, the relevance of the research to one of EPA's Strategic Goals may be described):

B. If applicable, describe the relationship of the papers of this nomination to previous and current nominations within the last 5 years by the nominated authors, as well as any supplemental items provided. A description of how this nomination's publication(s) differs from previous nominations(s) by the author(s) must be provided. If concurrent nominations are being submitted, provide justification. (NOTE: Papers nominated in any earlier STAA competition are not eligible for this year's competition.):

C. Provide evidence of recognition of the contribution from outside EPA:

D. Provide an explanation of the nature of internal and external peer review (this is particularly important):

X. CITATION

Please propose an appropriate citation **reflecting the value of the work to the EPA** that will be printed on the award certificate for winning STAA nominations. Keep in mind that the word "for" will precede the citation on the actual certificate. Do **not** use the title of the publication, do **not** exceed 120 characters including spaces (in Microsoft Word, use "File", "Properties", "Statistics" to get a word count; include spaces), and do **not** use italics, underlines, special characters, superscripts, or subscripts.

This citation is _____ characters.
