EMD-003: Laboratory Tick Repellency

- a. EPA Review of EMD-003 protocol 9/15/06

This is the review provided to the HSRB for the October meeting.

- b. Final Draft HSRB Report on EMD-003 protocol 12/8/06

This is the section of the final draft HSRB report addressing this protocol.

- c. EMD-003.1 Lotion MRID 46979001
- d. EMD-003.2 Pump Spray MRID 46979002

These are the original 11/9 submissions of the two reports for EMD-003

- e. EMD-003 Science Rvw 12/14/06

This review addresses the initial reports for both formulations

- f. EMD-003.1 Lotion Rvsd MRID 47007701
- g. EMD-003.2 Pump Spray Rvsd MRID 47007702

These are the revised 12/15 submissions of the two reports for EMD-003, which arrived too late to be addressed in the EPA science review listed above.

- h. EMD-003 Ethics Rvw 12/19/06

This review addresses both the initial and the revised submissions of the reports for both formulations
