RE: *Resolution Opposition with Request for Reconsideration and Call for Congressional Intervention in the matter of Wise County, Texas being Designated as member of Dallas-Fort Worth (DFW) Area NAAQS 2012 Eight Hour Ozone Nonattainment Area: Reference ATTENTION DOCKET ID NO. EPA-HQ\_OAR-2008-0476.*

Dear Director Jackson:

On behalf of Wise County, Texas (Wise County) Commissioners Court and being CEO of Wise County, please accept this letter with attached Wise County Commissioners Court Resolution No. 12-07 as official notice of request for re-review and reconsideration of your Conclusion Decision to add Wise County to the DFW Area nonattainment designation, as was conjunctive with the **EPA DOCKET ID NO.** as being referenced hereinabove. Your sincere consideration and prevue is respectfully requested as it appears to the full Commissioners Court, the undersigned and many stakeholders of Wise County that not all facts and scientific and technical data were fully analyzed, while assumptions were made in an overabundance.

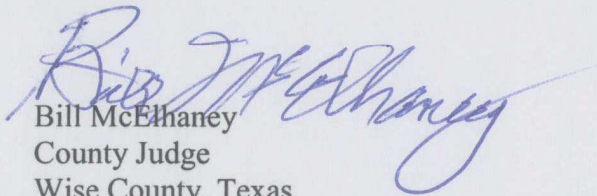

I am confident that the contents of the attached Resolution, with the two (2) Public Comments arguments that I duly and timely submitted during January and February, 2012, along with the "Technical Analysis Support Documentation" various reports that were submitted on multiple occasions beginning in October 2011, by the Texas Commission on Environmental Quality (TCEQ) will collectively answer and confirm that the EPA Factors analysis and the original conclusions did not include scientific facts and "reality modeling". This is not meant to be a critical statement, but rather, a sincere review opinion that sometimes honest errors are made when trying to reach deadlines. My opine is Wise County deserves

additional review and consideration due to all the many areas and analysis methods that were not consistent and were unrealistic to the true situation and environment that makes up Wise County.

Again, you and your staff's time and sincere consideration of this request is deeply appreciated. If you need additional information or have questions, please do not hesitate to contact me at anytime. My direct County Email address is [bill.mcelhaney@co.wise.tx.us](mailto:bill.mcelhaney@co.wise.tx.us), and my other contact numbers and address are contained within my office letterhead. I would also be most willing to meet at the EPA's convenience.

In advance, thank you for your assistance in this important matter. I look forward to hearing from you.

Respectfully,

  
Bill McElhaney
