PRODUCT CHEMISTRY Review
RSB

(3-18-92)

EPA Reg. No. or File Symbol 65402-R
 Date Division Received 3-11-92
 Products Manager No. 31 (Lee)
 Product Name Vigerox Liquid Sanitizer
 Company Name FMC Corp.

100.0 Comments:

a. Enclosed product chemistry data for the End-use formulated product Volume 2, MRID No. 420229-1 is in compliance with 40 CFR part 158.155 through 158.190 and data is acceptable except for storage and stability data, Guidelines Ref. No. 63-17.

Submit storage and stability data for our review. We will accept accelerated storage and stability data on an interim basis storage for 30 days at 50°C with analysis for the active ingredient before the storage and after 30 day storage.

b. Submit revised Confidential Statement of Formula. Based on your current Confidential Statement of Formula of 7-18-91 you may declare no more than 95.2% Hydrogen peroxide. Note that source product for Hydrogen peroxide is [REDACTED] active. In order to claim 20% Hydrogen peroxide the percent by weight in column 13b should be about [REDACTED] if source product is [REDACTED].

c. This product is similar to product under EPA Reg. No. 1677-143, they are not substantially similar. Both products have the same active ingredient, but they are in different proportions.
