7. Originator

Henry M. Jacoby
Product Manager, 24
Fungicide Herbicide B

8. Product Name

Aqualin Herbicide; A. Slimicide; A. Biocide
CORPUS

In order to fill a short-term data gap for the purpose of reregistration, the registrant has submitted 7 references from the open literature on the acute and sub-acute inhalation toxicity of Acrolein. The submitted references have been found to be adequate and sufficient to fill the data gap. Toxicology Branch has no adverse comments on the submitted data and recommends it be accepted in fulfillment of the data gap.
