Action Requested: Review additional submissions (MRID Nos: 44111900; 44111901; and 44111902) by the registrant, and make appropriate changes in the DERs for the toxicology studies relevant to these new submissions.

Conclusions: After review of these additional submissions, Toxicology Branch I is making the following changes in the DERs for these studies, as indicated below. The data contained in these additional submissions do not change the original classifications of these studies [Supplementary (not upgradable; dose range-finding); MRID 43972101; core-guideline; MRID 43553101].
