Action Requested

Mycogen Corporation requests registration of the end-use product M-Peril® Bioinsecticide (EPA File Symbol No. 53219-0). This end-use product contains 5% Delta endotoxin of *Bacillus thuringiensis* var. *Kurstaki* encapsulated in killed *Pseudomonas fluorescens* as its active ingredient. To support this registration, the registrant has submitted a Confidential Statement of Formula (CSF).

BPPD's Conclusions and Recommendation:

The submitted Confidential Statement of Formula (CSF) dated 3/30/92 for registration of the end use product M-Peril® Bioinsecticide (EPA File Symbol No. 53219-0) is acceptable. The end use-product contains 5% Delta endotoxin of *Bacillus*

US EPA ARCHIVE DOCUMENT

*thuringiensis* var. *kurstaki* encapsulated in killed *Pseudomonas fluorescens* as its active ingredient. All inert ingredients (95%) used in this end-use product are cleared by the Agency for food-use.
