Reg./File No.: 9386-3

Chemical: tetrahydro,3,5-dimethyl-2H,-1,3,5-thiadiazine-8-
thione

Type Product: Microbiocide

Product Name: AMA-24

Company Name: Vinings Chem Co.

Submission Purpose: Label changes

ZBB Code: other

ACTION CODE: 305

Date In: 4/20/83

EFB # 3326

Date Completed: 4/27/83

TAIS (level II) Days

Deferrals To:

1.0 INTRODUCTION

Chemical Name and Type Pesticide: tetrahydro-3,5-dimethyl-2H-1,3,5-thiadiazine-2-thione, 24% ai, anti-microbial

Trade Name: AMA-24 (9386-3)

Chemical Structure:

Vinings Chemical Co. is requesting a label change to alter a precautionary statement from "Do not apply in marine or estuarine areas" to read "Do not apply (or use) in estuarine oil fields where drilling fluids (muds) are discharged in the surface water". This change was approved for AMA-35D-P (9386-13), that contains the same active ingredient as in AMA-24.

2.0 DIRECTIONS FOR USE

See attached label.

3.0 DISCUSSION OF DATA

No new environmental fate data submitted.

4.0 CONCLUSION/RECOMMENDATION

4.1 EAB concurs with the proposed change in the cited precautionary statement on the label, since the change clarifies and specifies use of AMA-24 and is identical to a previously approved change in a related product (AMA-35D-P (9386-13)).

Page _____ is not included in this copy.

Pages 3 through 8 are not included in this copy.

The material not included contains the following type of information:

- Identity of product inert ingredients
 - Identity of product impurities
 - Description of the product manufacturing process
 - Description of product quality control procedures
 - Identity of the source of product ingredients
 - Sales or other commercial/financial information
 - A draft product label
 - The product confidential statement of formula
 - Information about a pending registration action
 - FIFRA registration data
 - The document is a duplicate of page(s) _____
-

The information not included is generally considered confidential by product registrants. If you have any questions, please contact the individual who prepared the response to your request.
