MEMORANDUM

SUBJECT: Expedited Residue Chemistry Review -- Registration of New Trifluralin Technical (Retzloff Delta Company)

FROM: Edwin F. Tinsworth, Director
Registration Division (TS-767C) *ET*

TO: John W. Melone, Director
Hazard Evaluation Division (TS-769C) *11/26*

This is to request an expedited residue chemistry review of additional nitrosamine data submitted to support registration of Retzloff's trifluralin technical which is produced by [REDACTED]

[REDACTED] The additional information was sent to HED on November 20, and if it satisfies our concerns about the nitrosamine analysis, the product chemistry review will be essentially complete.

As I indicated in a recent memorandum concerning an outstanding toxicology review for the Retzloff trifluralin technical, [REDACTED]

[REDACTED] Thus, we would like to be able to make a decision as soon as possible.

Thank you for your attention to this request.

INFORMATION WHICH MAY REVEAL THE SOURCE OF PRODUCT INGREDIENTS IS NOT INCLUDED
