OFFICE OF
PESTICIDES AND TOXIC SUBSTANCES

MEMORANDUM

SUBJECT: Methyl Parathion-Technical. EPA Registration No. 4787-4-Cheminova-Response to the Product Chemistry Chapter-No Accession Number. RCB No. 4023.

FROM: Gobind P. Makhijani
Residue Chemistry Branch *G.P. Makhijani*
Hazard Evaluation Division (TS-769C)

THRU: William J. Boodee, Section Head
Reregistration Section
Residue Chemistry Branch
Hazard Evaluation Division (TS-769C) *WJB*

TO: Dennis E. Edwards, Jr. PM-12
Insecticide Rodenticide Branch
Registration Division (TS-767C)

and

Amy Rispin, Ph.D., Chief
Science Integration Staff
Hazard Evaluation Division (TS-769C)

In response to the Residue Chemistry Branch (RCB) review (G.P. Makhijani) date May 25, 1988, A/S Cheminova of Lemvig Denmark has submitted "Certification of Ingredient Limits" on EPA form 8570-4 (Rev. 02-85) for Methyl Parathion (EPA Registration No 4787-4) dated June 16, 1988. These limits were discussed in an RCB review (G.P. Makhijani), dated March 25, 1988.

All the requirements under the Product Chemistry Chapter for Methyl Parathion MP have been satisfied and no further information is needed.
