Mr. Henry S. Bussey, Head
Registration Procedure Section
Pesticides Regulation Division
Agricultural Research Service
U. S. Department of Agriculture
Washington, D. C. 20250

<u>Reg. No.</u>	<u>Ref. Date</u>
T016-AI	1/2/70

Dear Mr. Bussey:

The Sevinol 4 toxicological data received from you on January 2, 1970 has been reviewed.

We have no objection to the registration of this product for the proposed usage pattern.

We will be glad to discuss our comments on this review with you at any time.

Sincerely yours,

Robert D. Coberly
Biologist
Division of Pesticide Registration
Office of Product Safety
