Reg. No. 1016-TX
Referral Date - 2/20/70

Dear Mr. Crompt:

We have completed our review of the toxicological data on the product Union Carbide Sevin 4 Oil Insecticide and have no objection to registration. We suggest the words "Prolonged" and "Repeated" be omitted from the caution statement.

We will be glad to discuss our comments on this review with you at any time.

Sincerely,

Lamar B. Dale, Jr., Ph. D.
