PRODUCT CHEMISTRY Review  
RSB

Don Stull  
7-15-92

PA Reg. No. or File Symbol 4959-UR  
Date Division Received 6-25-92  
Products Manager No. 32 (Ruth Douglas)  
Product Name Econosan Acid Sanitizer  
Company Name West Agro, Inc.

00.0 Comments:

Revised Confidential Statement of Formula dated 4-8-92 agrees with the label and is acceptable. The label claim and the Confidential Statement of Formula agree with PR Notice 91-2 and label declares the nominal concentration.

This formulation is cleared under the Federal Food, Drug and Cosmetic Act for use on food contact surfaces (see FDA's letter of 6-11-92).

Not less than 45 ppm sulfuric acid

Not more than 90 ppm decanoic acid

All components should be present in following proportions

(w/w): 1 part decanoic acid to

1 part nonanoic acid to

2.8 parts phosphoric acid to

3.3 parts propionic acid to

3.2 parts sulfuric acid.

INERT INGREDIENT INFORMATION IS NOT INCLUDED

PM:

Please verify with efficacy whether additional efficacy data is needed since label claim is the nominal concentration in compliance with PR Notice 91-2.
