OFFICE OF
PESTICIDES AND TOXIC SUBSTANCES

SUBJECT: Dermal penetration and skin diffusion studies with
triphenyltin hydroxide

TOX CHEM No. 896E

FROM: John Doherty *John Doherty 7/2/85*
Toxicology Branch

TO: Robert Zendzian
Toxicology Branch

THRU: Edwin Budd
Section Head
Toxicology Branch

Please provide a review of the following studies with
the fungicide triphenyltin hydroxide:

1. Triphenyltin hydroxide (TPTH) skin diffusion tests.

EPA Acc. No. 258298

Due Date: August 19, 1985

2. A dermal absorption study in rats with ^{14}C -triphenyltin hydroxide.

EPA Acc. No. 258231

Due Date: August 16, 1985

Please note: Mr. Schatzow has promised the triphenyltin hydroxide registrants that we will expidite all actions with this chemical and that he will hold us directly accountable. It is imperative that these reviews be completed as soon as possible.
