REQUEST FOR TOXICOLOGY REVIEW

UNDATED OK

OK

SUBJECT: Labeling & Petition Review

Product Name Round up
File Symbol 524-548-226
Petition No. 57-1561

TO: Dr. O. E. Panyter
Toxicology Branch
1st Floor, Room 130

THRU: Edward Gross

1st Floor, Room 130

Please review the labeling and data in the attached petition and indicate any additional toxicity studies or labeling changes which will be required either prior to issuance of the permit and requested tolerance(s), or prior to future registration of the product.

If unable to return with comments and/or recommendations by _____, please advise the undersigned of reason(s) for delay. Please note that the attached petition is Toxicology's copy and should remain in the Toxicology Branch.
