**INTRODUCTION\DESCRIPTION OF SUBMISSION:**

The applicant has submitted an amended physical and chemical characteristics report (MRID# 452370-01) for our review in response to a previous review of this chemist dated 6/29/2000 for D265050 in support of the registration of the subject technical.

**SUMMARY OF FINDINGS:**

The information contained in MRID 452370-01 is the same as that which was sent by FAX by the Applicant to this reviewer dated 10/11/2000 (see item 4 of the FAX (attached) which contained additional information in response to referenced review of 6/29/2000) and which was recently reviewed under D269710 dated 10/23/2000.

The information on the physical and chemical characteristics of Albaugh's technical Glyphosate was found to meet the product chemistry data requirements and to be technically acceptable.

**CONCLUSIONS/RECOMMENDATIONS:**

With this submission, Albaugh Inc. has fulfilled the product chemistry data requirements for registration of the subject technical.
