MEMORANDUM

SUBJECT: Registration Standard for Difenzquat -
Montarget Insect Studies

FROM: Allen W. Vaughan, Entomologist
Ecological Effects Branch
Hazard Evaluation Division (TS-769-C)

THRU: Henry T. Craven, Head - Section 4
Ecological Effects Branch
Hazard Evaluation Division (TS-769-C)

THRU: James W. Akerman, Chief
Ecological Effects Branch
Hazard Evaluation Division (TS-769-C)

TO: Richard Mountfort, PMT-23
Herbicide/Fungicide Branch
Registration Division (TS-767-C)

The Ecological Effects Branch has determined that no data are available on difenzquat and honey bees. This herbicide has full registration for use only on wheat and barley. As these uses do not represent significant exposure situations for honey bees, data from testing on honey bees are not required at this time.
