INTRODUCTION Mobay is requesting conditional registration of the Insecticides Oftanol 1.5% Granular (3125-GGR) and Oftanol 5% Granular (3125-GGN) for use on turf. Amaze (same active) is currently registered for use on corn. The ai in these products is oftanol (isofenphos). No data are contained in this submission.

RECOMMENDATION EFB concurs with these conditional registrations provided that a condition of registration is that field dissipation studies will be submitted within 18 months.
