CT: Registration #100-607 (Metalaxyl): review of daphnid life-cycle study data

FROM: Wildlife Biologist
EEB Section #1

TO: Henry Jacoby, Product Manager
Team 21, RD

THRU: Raymond W. Matheny, Head *FB*
EEB Section #1 *for Rwm*

THRU: Clayton Bushong, Chief *CB*
EEB

The Ecological Effects Branch has reviewed the daphnid life-cycle raw data contained within Accession #244782. This data has enabled us to confirm critical aspects of the submitted results (Accession #244183), making this daphnid life-cycle study suitable for registration purposes. This submission satisfies the data requests (Section 107.5) contained within the EEB Review dated 4/8/81.
