

US EPA ARCHIVE DOCUMENT

DATE: August 16, 1982

NOTE TO Jan Auerback:

SUBJECT: Glean Industry Assisted Standard.

The memos on this subject that are relevent to this standard and which should be sent up for our concurrence are from R. Perfetti dated as follows:

2/26/82
3/2/82
4/14/82
5/24/82
6/14/82
6/15/82 (two review on this date)
6/22/82
7/16/82

These memos give the complete history and our final conclusions on Glean tolerances on small grains that will be used by the Branch in future actions.

Charles L. Trichilo, Chief
Residue Chemistry Branch
Hazard Evaluation Division (TS-769)
