Chemical: ASSURE (DPX-Y6202; NC302)

Caswell No.: 215D

Petitioner: E.I. Dupont

Petition No.: 5F3252

Accession No.: 073822

Action Requested: The Petitioner has submitted historical control data for the 18 month mouse chronic feeding study (Hazleton Lab. Project #2096-109, April 8, 1985).

Conclusion: These historical control data will be assessed in concert with the review of the 18 month mouse chronic feeding study. The estimated time of completion for this review is December 30, 1985.
