# PRIA Statutory Language: Reforms to Reduce Decision Time Review Periods

“To the maximum extent practicable consistent with the degrees of risk presented by pesticides and the type of review appropriate to evaluate risks, the Administrator shall identify and evaluate reforms to the pesticide registration process under this Act with the goal of reducing decision review periods in effect on the effective date of the Pesticide Registration Improvement Act of 2003 for pesticide registration actions for covered pesticide registration applications (including reduced risk applications).”

## Process Improvements Implemented to Date

- OPPIN Enhancements
- Front-End Screening Procedures
- Scoping Activities
- Management Reports
- Consistency

## Advice Sought from PPDC

- Should a workgroup be formed to develop recommendations for process improvements within OPP?
- Workgroup Charge: Identify process areas needing improvement and recommend actions to address them
