WHAM

ANT & ROACH KILLER

**Kills fast
for up to
6 weeks**

Fresh Scent

ACTIVE INGREDIENTS:

Permethrin	0.20%
2- (1-Methyl-2-hydroxy) phenol methylcarbamate	0.50%
Tralomethrin	0.01%
d-trans Allethrin	0.05%
Pyrethrins	0.20%
Piperonyl butoxide technical	0.50%
OTHER INGREDIENTS:	98.54%

contains petroleum distillates

KEEP OUT OF REACH OF CHILDREN
CAUTION - SEE ADDITIONAL PRECAUTIONARY STATEMENTS ON BACK

NET WT. 11.5 OZ. (326g)

This label is a representation of the information seen on real products, but does not accurately duplicate a real brand.

Kills fast in two ways: (1) it kills bugs fast-on contact and (2) it keeps on killing with residual action even after you spray, for up to 6 weeks.

DIRECTIONS FOR USE:
 It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

FOR HOUSEHOLD USE: SHAKE WELL BEFORE EACH USE. hold container upright. Do not spray up into air. Apply to surfaces only. Point spray opening toward surface to be sprayed and press button firmly. Hold about 12" from surface being sprayed. Spray until surfaces are wet. Avoid excessive wetting of asphalt, tile, rubber and plastic materials. More frequent application will be required to maintain control on plywood surfaces. Repeat treatment as necessary. **ROACHES, PALMETTO BUGS, WATERBUGS, CRICKETS, SILVERFISH, AND SPIDERS:** Spray directly on insects when possible. Thoroughly spray cracks, baseboards, underneath kitchen shelves, and other places where insects habitate. **ANTS AND EARWIGS:** Spray door sills, wood frames, outside foundations and porches. Spray directly on ant hills. **FLIES, MOSQUITOES, GNATS, WASPS:** Apply on screens, walls, door and window frames, and other surfaces where insects congregate.

STORAGE: Store away from heat or open flames, in an area inaccessible to children. **DISPOSAL:** This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (DO NOT PUNCTURE) if recycling is not available, replace cap, wrap in several layers of newspaper and discard in trash.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
CAUTION: Harmful if swallowed or absorbed through the skin. Avoid breathing spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Provide adequate ventilation of area being treated. Do not apply to humans, pets, plants or contaminate feed, food stuffs, dishes or utensils. Cover and avoid spraying fish aquariums. Cover or remove exposed food, dishes, utensils and food handling equipment. Keep out of reach of children.

FIRST AID
IF SWALLOWED: Call doctor or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. (Do not induce vomiting). **IF IN EYES:** Flush with plenty of water. **IF ON SKIN:** Wash promptly with soap and water. Get medical attention if irritation persists or develops. **IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated. **NOTE TO PHYSICIAN:** This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine is antidotal.

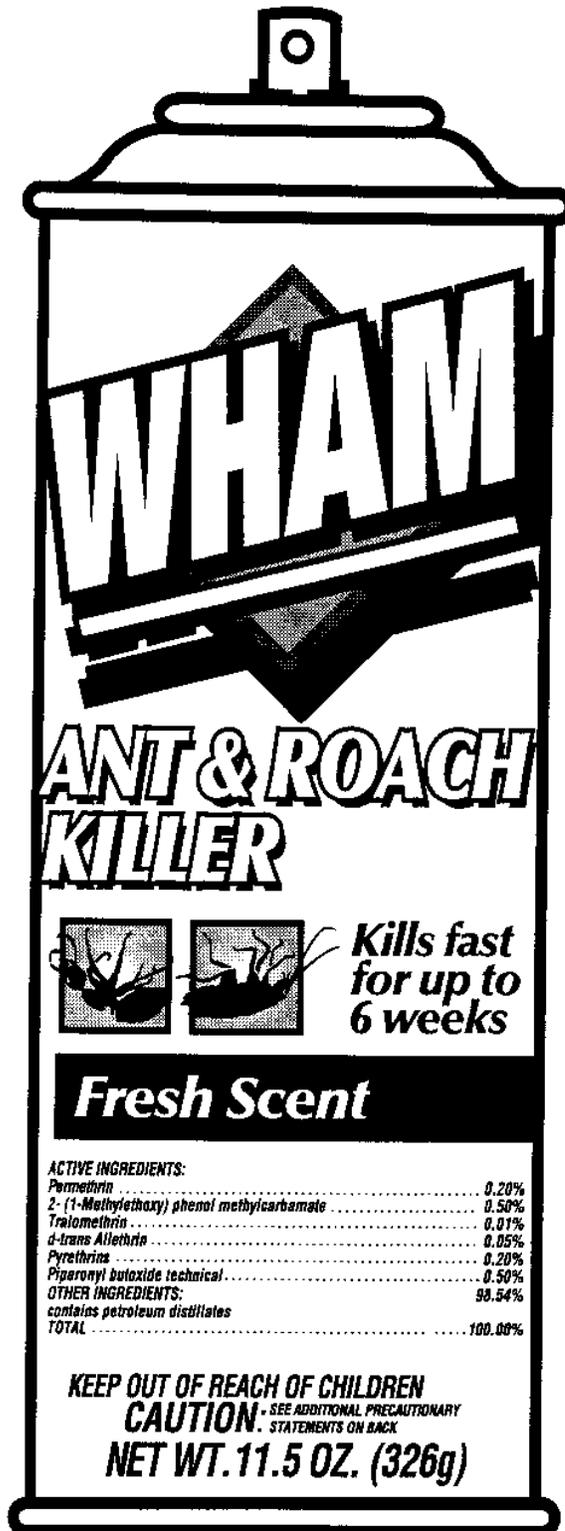

PHYSICAL OR CHEMICAL HAZARDS:
FLAMMABLE, CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.

WHAM ANT & ROACH KILLER Fresh Scent

Kills fast in two ways: (1) it kills bugs fast-on contact and (2) it keeps on killing with residual action even after you spray, for up to 6 weeks.

DIRECTIONS FOR USE:

Use only as directed on this label.

1. SHAKE WELL BEFORE EACH USE. Apply to surfaces only.
2. Hold container upright, 12" from surface and spray.
3. Spray till surfaces are wet. Avoid over wetting asphalt tile, rubber and plastic materials.
4. Repeat treatment as necessary.

ROACHES, CRICKETS, SILVERFISH, SPIDERS: Spray directly on insects when possible. Thoroughly spray cracks, baseboards, underneath kitchen shelves and other places where insects habitate. **ANTS, EARWIGS:** Spray door sills, wood frames, outside foundation and porches. Spray directly on ant hills. **FLIES, MOSQUITOES, GNATS, WASPS:** Apply on screen, walls, door and window frames, and other surfaces where insects congregate.

STORAGE: Store away from heat or open flames, in area inaccessible to children. **DISPOSAL:** This container may be recycled in communities where aerosol can recycling is available. Only recycle empty can. (DO NOT PUNCTURE!) If recycling is not available, replace cap, wrap in several layers of newspaper and discard in trash.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND ANIMALS:**

CAUTION:

- Harmful if swallowed or absorbed through the skin.
- Avoid breathing spray mist.
- Avoid contact with skin or clothing.
- Wash thoroughly with soap and water after handling.
- Provide adequate ventilation of area being treated.
- Do not apply to humans, pets, plants or contaminate feed, food stuffs, dishes or utensils.
- Cover and avoid spraying fish aquariums.
- Cover or remove exposed food, dishes, utensils and food handling equipment.
- Keep out of reach of children.

FIRST AID

IF SWALLOWED: Call doctor or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. (Do not induce vomiting). **IF IN EYES:** Flush with plenty of water. **IF ON SKIN:** Wash promptly with soap and water. Get medical attention if irritation persists or develops. **IF INHALED:** Remove victim to fresh air. Apply artificial respiration if indicated. **NOTE TO PHYSICIAN:** This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine is antidotal.

PHYSICAL OR CHEMICAL HAZARDS:

FLAMMABLE, CONTENTS UNDER PRESSURE. Keep away from heat, sparks, open flame or pilot lights. Do not puncture or incinerate container. Exposure to temperatures above 130° may cause bursting.
